

Canada: Unauthorized sexual enhancement products seized at four Toronto retail locations may pose serious health risks

Health Canada is advising Canadians that multiple unauthorized sexual enhancement products seized from four Toronto retail locations may pose serious risks to health.

The following unauthorized products were seized by HealthCanada:

Products	Ingredients
Passion Classic	Yohimbe
Hard Rock 3800	Yohimbe bark extract
Premium Pro Power 3500	Yohimbe bark extract
Premium X Pulse 2000	Yohimbe
Blue Diamond	Previously tested product with similar packaging was found to contain sildenafil
ResErection!	Previously tested product with similar packaging was found to contain sildenafil and tadalafil

Canadians should stop using these products and consult with their health care professional if they have used these products and have health concerns.

Please refer to the following website in Health Canada for details:
