

Canada: Unauthorized products may pose serious health risks - Update

Health Canada is advising Canadians about unauthorized health products that may pose serious health risks. The table below is updated when Health Canada finds unauthorized health products that are promoted for sexual enhancement, weight loss, as a workout aid, or as “poppers,” and that are labelled to contain or have been tested and found to contain dangerous ingredients.

The unauthorized products added includes:

Product & Promoted Use	Hazard Identified	Company
777 K Sexual enhancement	Labelled to contain yohimbe	24 Hour Mart Units 536, 538 & 540 Yonge Street Toronto, ON
Extreme Diamond 2000 Sexual enhancement	Product with similar packaging previously seized from other retailers was tested and found to contain sildenafil	24 Hour Mart Units 536, 538 & 540 Yonge Street Toronto, ON
Green Mamba Sexual enhancement	Labelled to contain yohimbe	24 Hour Mart Units 536, 538 & 540 Yonge Street Toronto, ON
