Dear Sirs,

**Reminder: Phasing out of Manual Application**  
**for Import/Export Licences of Unregistered Pharmaceutical Products with effect from 1 July 2016**

This letter is served as a final reminder to reiterate that Drug Office (“DO”) will only accept **online** applications for Import and Export (“IE”) Licences for unregistered pharmaceutical products for re-export purpose through our electronic licencing system, namely Pharmaceuticals Licence Application and Movement Monitoring System (“PLAMMS”) **with effect from 1 July 2016**. Manual submission of relevant applications will no longer be accepted by then.

Hence, you are strongly recommended to register and use PLAMMS, if not yet to do so, for application of IE licences online so that your import and export business of unregistered pharmaceutical products will not be interrupted.

To facilitate your understanding of PLAMMS, workshop sessions are conducted by DO twice a week. You can call 2319 8672 to registration for the workshop or any enquiries regarding PLAMMS. Please also visit the website of DO at [www.drugoffice.gov.hk](http://www.drugoffice.gov.hk) for more detailed information of PLAMMS.

Yours faithfully,

(Y.F. YEUNG)

for Director of Health
