Benefits of Using PRS 2.0

- Web based online system to save time & paper

The image shows the login interface for the Pharmaceuticals Registration System (PRS2.0). At the top center is a logo featuring a red stylized figure with arms raised, set against a grey background. Below the logo, the title "Welcome to Pharmaceuticals Registration System (PRS2.0)" is displayed in a dark red font. The login form consists of several fields: "Username: *" with a text input box; "Organizational e-Cert File Location: *" with a "Choose File" button and the text "No file chosen"; "e-Cert PIN: *" with a text input box; and "System Password: *" with a text input box. A blue link "Please select the e-Cert file, e.g. C:\cert.p12" is positioned above the PIN field. Below the password field are three buttons: "Login", "Reset", and "Request for New Account". A "Reset Password" button is located further to the right. A note indicates that fields marked with an asterisk are mandatory. At the bottom, there is a support contact section and a "Points to note" section with five numbered instructions.

The screenshot displays the 'New Product Registration' web application. On the left is a sidebar with a user login status (WONG David, ABC COMPANY LIMITED, 23.09.2015 23:04) and a menu of actions including 'Initiate New Product Registration Application' (highlighted in red), 'Application Status', 'Withdraw application', and various registration and payment options. The main content area is titled 'New Product Registration' and includes a 'Guidance' tab, 'Save', 'Save and Exit', and 'Next' buttons. It shows the 'Proposed Name of Product (English): VITAMIN E TABLET' and fields for 'PL No.', 'PR No.', and 'HK No.'. Below this are tabs for 'Module 1' through 'Module 5', with 'Page 1' selected. The 'Priority Application' section is expanded, showing requirements for priority applications. The '1.0 Application Form' section is active, with 'New Chemical Entity (NCE)' selected. Under '1.0.1 Name of Drug / Pharmaceutical Product / Substance', the '1.0.1.1 Proposed Name of Product / Substance' section contains input fields for English, Chinese, and other names, each with a 'Place' dropdown menu. The '1.0.1.2 Name of Active Substance(s) / Ingredient(s)' section includes a 'No. of Component(s)' dropdown set to '1' and a table for listing ingredients. The table has columns for 'Active Ingredient' and 'Active Ingredient Appeared on Product Label'. The first row shows 'vitamin E' in both columns.

- Login of PRS 2.0

The image shows the login interface for the Pharmaceuticals Registration System (PRS2.0). At the top center is a logo featuring a red stylized human figure with arms raised, set against a blue square background. Below the logo, the text "Welcome to Pharmaceuticals Registration System (PRS2.0)" is displayed in a dark red serif font. The login form consists of four input fields on the left, each with a label and an asterisk indicating it is required: "Username:", "Organizational e-Cert File Location:", "e-Cert PIN:", and "System Password:". To the right of the "Organizational e-Cert File Location:" field, there is a blue text hint: "Please type full path of file, e.g. C:\cert.p12". Below the input fields are three buttons: "Login" (highlighted with a blue border), "Reset" (grey), and "Request for New Account" (highlighted with a red border). The entire interface is set against a white background within a larger green frame.

Points to Note for On-line User Account Registration

- Support Organizational e-Cert only (recommend: USB media)
- Each on-line user account requires one e-Cert
- For users under subsidiary/distributor, they should apply e-Cert on behalf of the certificate holder
- The company BRC No. (First 8 digits) on e-Cert must be the same as the BRC No. (First 8 digits) of certificate holder
- Apply e-Cert which has email address
- The information on e-Cert is case-sensitive. e.g. Name of Organization, Name of Authorized User etc

Approved CORP Application: Change Of Implementation Date

Dear Sir/Madam,

1. NASUCAP DECONGESTANT CAP (HK-26230)

I refer to your letter dated 25 Sep 2015 applying for change of effective date on the following change(s) of registered particulars:

- a. Label
- unit package of 3 X 12 unit

Please be informed that approval is hereby given to the above change(s) of registered particulars with effect from 01 Jun 2016. The approval letter issued on 25 Sep 2015 is thereby superseded.

Your attention is also drawn to Regulation 36(1B) of the Pharmacy and Poisons Regulations, Cap. 138 as follows:

“For the avoidance of any doubt, a pharmaceutical product or substance is registered with the Board,, if and only if its registrable particulars are those which correspond exactly with the registered particulars of a registered product or substance.”

Please ensure complete withdrawal of all the old stocks of the above-named product(s) from the market before the effective date for the approved change(s) as they will no longer be registered on or after that effective date.

Yours faithfully,

Online Notification
