

## Canada: Unauthorized products may pose serious health risks - Update

Health Canada is advising Canadians about unauthorized health products that may pose serious health risks. The table below is updated when Health Canada finds unauthorized health products that are promoted for sexual enhancement, weight loss, as a workout aid, or as “poppers,” and that are labelled to contain or have been tested and found to contain dangerous ingredients.

The unauthorized product added includes:

Product & Promoted Use	Hazard Identified	Company
<b>Promatrix Yohim-B Active</b> Sexual Enhancement	Labelled to contain yohimbe	Fix Santé 3500 Boul Matte #218, Brossard, QC

Consumers are advised to stop using these products and consult with their health care professional if they have used these products and have health concerns.

Please refer to the following website in Health Canada for details:
