Dear Sir/Madam,

Invitation for Using the Pharmaceuticals Licence Application and Movement Monitoring System (Phase II)

Since 1 July 2016, the Drug Office of the Department of Health has fully implemented an electronic Pharmaceuticals Licence Application and Movement Monitoring System ("PLAMMS") for the application of import/export licences for the purpose of re-exporting pharmaceutical products and medicines which are not required to be registered under the Pharmacy and Poisons Board.

2. With a view to further facilitating the import and export of pharmaceutical products in Hong Kong, Drug Office will roll out the second phase of PLAMMS ("PLAMMS II") to extend the scope of import/export licence processing to unregistered pharmaceutical products for other purposes (e.g. pharmaceutical products for treatment of a particular patient, etc., locally registered pharmaceutical products, dangerous drugs and psychotropic substances). In order to ensure smooth transition from manual to electronic submission, the implementation of electronic submission will be conducted in two stages according to the following timeline, and manual submission will still be accepted during the transition period until further notice:

We build a healthy Hong Kong and aspire to be an internationally renowned public health authority
(i). From **30 September 2019** onwards, all applications for import and export licences of registered pharmaceutical products and removal licence for dangerous drugs; and

(ii). From **30 December 2019** onwards, all application for import and export licences/certificates of the following products or substances –
   a. Registered pharmaceutical products;
   b. Dangerous drugs (other than removal licence for dangerous drugs);
   c. Unregistered pharmaceutical products for the treatment of particular patients/animals by a registered medical practitioner/dentist/veterinary surgeon;
   d. Pharmaceutical products for the purpose of clinical trials/medicinal test; and
   e. Pharmaceutical products or substances imported by a pharmaceutical manufacturer for the purpose of manufacture of pharmaceutical products.

3. If you are not an existing user of PLAMMs, you are cordially invited to register as a user in order to be able to use PLAMMS II for online submission of application for import/export licences of pharmaceutical products, dangerous drugs or psychotropic substances. For organizational users, please provide certificate number of your business registration certificate. For personal account, please provide registration number of your professional registration (e.g. registration number of registered medical practitioner/dentist/veterinary surgeon). For details of new account registration, please refer to our website: [http://www.drugoffice.gov.hk/eps/do/en/doc/guidelines_forms/Registration Guide4PLAMMS.pdf?v=yq6nihu](http://www.drugoffice.gov.hk/eps/do/en/doc/guidelines_forms/Registration Guide4PLAMMS.pdf?v=yq6nihu).

4. Please note that the existing users of PLAMMS do not need to register a new account.

*We build a healthy Hong Kong and aspire to be an internationally renowned public health authority*
5. Should you have any questions, please feel free to contact PLAMMS Support Team at 2319 8672

Yours faithfully,
