

Canada: Unauthorized products may pose serious health risks: Update

Health Canada is advising Canadians about unauthorized health products that may pose serious health risks. The table below is updated when Health Canada finds unauthorized health products that are promoted for sexual enhancement, weight loss, as a workout aid, as “poppers,” or for lightening skin or treating skin conditions (such as eczema or psoriasis). These products are labelled to contain or have been tested and found to contain dangerous ingredients.

The unauthorized products added are:

Product & Promoted Use	Hazard Identified	Company
7K Sexual enhancement	Labelled to contain yohimbine	Pleasure Island 1257 Midland Ave #1 Kingston, ON
Black Panther #1 Triple Maximum Sexual enhancement	Labelled to contain yohimbine	
Jaguar 30000 Sexual enhancement	Product with similar packaging (previously seized) was tested and found to contain sildenafil and tadalafil	
Poseidon Platinum 3500 Sexual enhancement	Product with similar packaging (previously seized) was tested and found to contain sildenafil	
ResERECTION! Sexual enhancement	Product with similar packaging (previously seized) was tested and found to contain sildenafil and tadalafil	
White Panther Triple Maximum Sexual enhancement	Labelled to contain yohimbine	

Consumers are advised to stop using these products and consult with their health care professional if they have used these products and have health concerns.
