

Canada: Unauthorized products may pose serious health risks: Update

Health Canada is advising Canadians about unauthorized health products that may pose serious health risks. The table below is updated when Health Canada finds unauthorized health products that are promoted for sexual enhancement, weight loss, as a workout aid, as “poppers,” or for lightening skin or treating skin conditions (such as eczema or psoriasis). These products are labelled to contain or have been tested and found to contain dangerous ingredients.

The unauthorized products added are:

Product & Promoted Use	Hazard Identified	Company
Black Panther Power Gummy Sexual enhancement	Product tested by Health Canada and found to contain sildenafil and tadalafil	Grace Daily Mart 1579 Ellesmere Rd, Scarborough, ON
Gold Rhino Super Long Lasting Extreme 285k Sexual enhancement	Product tested by Health Canada and found to contain tadalafil	
Libigrow Platinum 10,000 Sexual enhancement	Product tested by Health Canada and found to contain prasterone	
Plus power Love 20,000 Sexual enhancement	Product tested by Health Canada and found to contain sildenafil	
Rhino Super Long Lasting 750k Sexual enhancement	Product tested by Health Canada and found to contain sildenafil and tadalafil	
Rhino Super Long Lasting Premium 500k Sexual enhancement	Product tested by Health Canada and found to contain sildenafil	

Consumers are advised to stop using these products and consult their health care professional if they have used these products and have health concerns.
