

Canada: Unauthorized sexual enhancement products may pose serious health risks: Update

Health Canada is advising about unauthorized sexual enhancement products that may pose serious health risks. The products are labelled to contain or have been tested and found to contain dangerous ingredients. Health Canada updates the table below when it finds unauthorized health products for sexual enhancement.

The unauthorized products added are:

Product	Hazard Identified	Company
Pink Unicorn	Product tested by Health Canada and found to contain sildenafil	Planet X 1965 Frank Carrel, Québec, QC 72 route du Président Kennedy, Lévis, QC 2600 Ave. Bourg-Royal, Québec, QC 325 Bd. Charest O., Québec, QC 5401 Bd. Des Galeries, 2nd Floor, Québec, QC 2700 Bd. Laurier, Québec, QC
Premier Love 22000 Gold	Product tested by Health Canada and found to contain sildenafil	Anna's Restaurant & Gas 521 - 14 Ave Wainwright, AB

Consumers are advised to stop using these products and consult their health care professional if they have used these products and have health concerns.

Please refer to the following website in Health Canada for details:
