

Canada: Unauthorized sexual enhancement products may pose serious health risks: Update

Health Canada is advising about unauthorized sexual enhancement products that may pose serious health risks. The products are labelled to contain or have been tested and found to contain dangerous ingredients. Health Canada updates the table below when it finds unauthorized health products for sexual enhancement.

The unauthorized products added are:

| Product | Hazard Identified | Company |
|---------------------------------|--|--|
| 2000 Ginseng Red | Product with similar packaging (previously seized) was tested and found to contain sildenafil | AJ's Convenience Center 1060 Kennedy Rd, #5, Toronto, ON |
| 777K | Labelled to contain yohimbe | |
| Black Panther Triple Maximum | | |
| Magnum 24K Male Enhancement XXL | Product with similar packaging (previously seized) was tested and found to contain sildenafil | |
| Pink Pussycat | Product with similar packaging (previously seized) was tested and found to contain hydroxythiohomosildenafil | |
| Premier Love Gold 22000 | Product with similar packaging (previously seized) was tested and found to contain sildenafil and tadalafil | |
| Rhino 7 Platinum 5000 | Product with similar packaging (previously seized) was tested and found to contain sildenafil and yohimbe | |
| Royal Honey VIP | Product with similar packaging (previously seized) was tested and found to contain sildenafil | |
| Rhino 7 Platinum 5000 | Product with similar packaging (previously seized) was tested and found to contain sildenafil and yohimbe | Lucky Plus Vape Shop 22530 Loyalist PKWY, Trenton, ON |
| 777K | Labelled to contain yohimbe | |

Consumers are advised to stop using these products and consult their health care professional if they have used these products and have health concerns.
