3 Jun 2024

Dear Sir/Madam,

**Introducing Electronic Certificates/Licences  
for the import, export and transit of Dangerous Drugs (Reminder)**

In reference to the letter issued on 3 Apr 2024, I am writing to remind you that **with effect from 2 Jul 2024**, the paper forms of certificates and licences currently issued by the Drug Office for the import, export and transit of dangerous drugs will be replaced by electronic certificates and licences (“e-licence”) issued through the Pharmaceuticals Licence Application and Movement Monitoring System (“PLAMMS”). Applicants will no longer be required to collect the paper certificate or licences from the Drug Office.

Furthermore, an authentication program will be launched on the Drug Office website under the Pharmaceutical Trade portal for the issued e-licenses ([https://www.drugoffice.gov.hk/eps/do/en/pharmaceutical\\_trade/home.html](https://www.drugoffice.gov.hk/eps/do/en/pharmaceutical_trade/home.html)). Any e-licenses that have been issued for dangerous drugs can be uploaded to the website for the purpose of authentication.

Relevant guidelines and updates to the PLAMMS User Guide will be available on the Drug Office's website by the end of Jun 2024.

For enquiries, please contact Drug Import and Export Control Unit at 3974 4180.

Yours faithfully,

(Terence Man)

For Director of Health

*We build a healthy Hong Kong and  
aspire to be an internationally renowned public health authority*
