

Canada: Unauthorized sexual enhancement products may pose serious health risks: Update

Health Canada is advising about unauthorized sexual enhancement products that may pose serious health risks. The products are labelled to contain or have been tested and found to contain dangerous ingredients. Health Canada updates the table below when it finds unauthorized health products for sexual enhancement.

The unauthorized products added are:

Product	Hazard Identified	Company
Black Bull Extreme	Product with similar packaging (previously seized) was tested and found to contain sildenafil and tadalafil	Quik Shop 119 Fort York Blvd, Toronto, ON
Etumax Royal Honey		
Rhino 69 8500K (Double Shot)	Product with similar packaging (previously seized) was tested and found to contain sildenafil	
Rhino 69 Extreme 35000	Product with similar packaging (previously seized) was tested and found to contain tadalafil	Weston 7 Convenience 7777 Weston Rd, Vaughan, ON
Rhino 69 Platinum 35000		
Rhino 7 Platinum 900K	Product with similar packaging (previously seized) was tested and found to contain levodopa and prasterone	
Royal Honey VIP	Product with similar packaging (previously seized) was tested and found to contain sildenafil	

Consumers are advised to stop using these products and consult their healthcare professional if they have used these products and have health concerns.
